## 600 Attended Special Thanksgiving Services

An unusually well attended Thanksgiving service was held at the High School Auditorium, Sunday night. All the churches of the community joined in the various features of the program.

Rev. J. Henry Littleton was "master of ceremonies."

The principal features of the evening was the grand singing by the massed choir of choice voices of the town and community. This was led by Mrs. W. C. Russell and the accompanist was Forrest Greenway.

A special quartet was rendered by W. L. Boyd, Supt. D. L. Smith, of McCaulley, Ed Bailey and Roy McCoy.

Rev. J. A. Young offered the invocation.

Immediately before the address of the occasion, Rev. Littleton took the opportunity to remind the audience of the Charity Organization that was formed in Hamlin a year ago, and as Chairman of the disbursing Committee, he made a complete report of all money received and distributed. A small balance was reported on hand. Rev. Littleton reminded everybody that a winter is ahead and there will be some emergency cases in our community and this Thanksgiving time was opportune for making new contributions. The report is that better than \$60.00 was given. This was more than twice the amount of one year ago.

EVANGELIST BUSBY  
DELIVERED THE SERMON

Evangelist Busby, of Fort Worth, who is conducting a revival at the Church of Christ was introduced and the audience was treated to a wonderful address on Giving Thanks, and the spirit of Thanksgiving.

It is in place here to state that Evangelist Busby is a favorite in Hamlin and beyond his own denomination, he is also admired and valued highly.

J. W. Jenkins, a prominent farmer of the Dovie community, is improving slowly after being confined to his bed for several months, in a serious condition. He is able to sit up a little these days and to receive company.

## REV. H. W. HANKS RETURNED AS PASTOR

Last week Rev. Hanks, pastor of the Methodist Church slipped off to the Annual Conference, which met this year at Memphis, Texas, without saying good-bye, or anything and why should he? It was generally conceded that he would be returned to Hamlin for another year.

The general impression was that he had not only pleased the Methodist but the Baptist and all the other churches and why move under such circumstances.

Rev. Hanks seems to be able to handle his flock pretty well and that means he has plenty of ability and is a good pastor. After all, a minister could be sentenced to a pastorate far less desirable than Hamlin. This little city is a good place in which to live . . . all the churches have excellent pastors and loyal supporting members and there is a harmonious attitude among everyone.

Yes, the Baptist, who so often fall in love with the Methodist pastor, join all others in welcoming Rev. Hank and family to stay in our city.

Last week Arthur Albritton slipped off and was gone most of the week. Finally it was all cleared up. There is a new granddaughter down at Port Arthur and Arthur just had to go down to see his wife (?) Well they returned on Wednesday and report Mr. and Mrs. Roland and girls all happy and doing fine. Mrs. Henry Albritton accompanied Mr. Albritton.

D. L. Penney of Denton has recently acquired the Bullard Service Station in East Hamlin. This station has been operated by Mrs. B. F. Dye till a few days ago when she traded for the picture show at Tuscola. Mrs. Penney is teaching at Tuscola and will come to Hamlin next spring.

The Farrow families had kinfolks guests from Birmingham, Alabama last week. Their cousin Ross Mullins and family whom they had not seen in thirty years gave them a surprise visit.

Guy McNeal of El Paso came Sunday for a few days in and about Hamlin. McNeal was formerly manager of the Texas Cement Plaster Company and lived in this community many years.

Mrs. J. J. Haralson of Montague, Texas, is spending the week visiting her sister, Mrs. W. L. Boyd and family.

Mr. Cummins is manager of the Sinclair Oil property west of Hamlin.

J. C. Key of Datil, New Mexico, was on the streets of Hamlin Saturday for the first time in about 30 years. He is a pioneer of Fisher County and is spending several weeks with his brother in Rotan, and taking medical treatment at Sweetwater. He said he had gone Mexican. Part of the time in Fisher will be in the home of Mr. and Mrs. Allie Deel.

In addition to the Texas winners there are 42 more young farmers receiving similar awards from the Santa Fe in those states in which the railroad operates.

Dr. and Mrs. L. S. Magee are happy over the arrival of new grand daughter, Kay Sharon Wilhite, born to Mr. and Mrs. J. A. Wilhite at the Stamford Sanitarium Sunday. Mrs. Wilhite is known in Hamlin as Fannie Pearl Magee. Mr. and Mrs. Wilhite live in Harlingen, Texas.

## OUR FELLOW DRIVERS

## SANTA FE NAMES 4'H CLUB WINNERS

Winners in Texas of the 19 educational awards offered annually to members of the 4-H Club by the Santa Fe Railway for outstanding farm club work, were announced today by officials of the railway.

They are:

Travis Harper, Gattesville; C. P. Archer, Spearman; LeRoy Stade, Richmond; Willie Everett, Abilene; Edward R. Qaufa, Caldwell; Kenneth Phillips, Denton; Odell Poovey, Henderson; Burrett Robinson, Dallas; Bob Macina, Wheeler; C. D. Smalley, Wharton; Chas. McEvilin, Paris; Richard Profitt, Waxahachie; Loyd Rumsey, San Angelo; Percy Tate, Floydada; Donald Olsen, Canyon; Buddie Mills, Fort Worth; Norbet Halfman, Ballinger; Jack Maberry, Roby, and Leonard Witcher, Bonham.

Victory hungry fans were treated to a feast of touchdowns, Friday, as the revived Pied Pipers mowed down the Munday Moguls, 47 to 0.

It was more scores by a Pied Piper team than the fans of Hamlin can remember them ever scoring before. It was also distinctive in another respect namely, that it was the first game any Pied Piper outfit probably ever played without having to punt the ball a single time.

It was probably more scores than Coach Smith would have cared to see his team make against a weaker opponent, but after substituting his second team and reserves the score continued to mount.

There were no individual stars Friday, but instead was a trained unit composed of individuals each with an assignment that was being carried out.

It was field day for boys like Carlton, who scored three touchdowns, Burton with two touchdowns, Russel with one and Nicholson with one. It was also field day for the extra point boys, with Dean kicking two and Sowell, Ivy and Nicholson catching passes for one each.

These boys looked great Friday, but so did the blockers, tacklers and other ground gainers who made these scores possible.

As to the statistics for the game, Hamlin earned twenty (20) first downs while the Moguls made none. The Pied Pipers penetrated the twenty yard zone of the opponents 8 times while the Munday boys never crossed the fifty yard yard line with the ball in their possession. It is impossible to estimate what the score might have been if Coach Smith had not held several of his key men off the field during most of the fray. After the first three touchdowns, never again was a complete first string unit on the field.

The lineup for Munday was, Matlock, left end; Walthan, left tackle; Kitchen, left guard; L. Patterson, right guard; Beck, right tackle; W. Peterson, right end, and Higginbotham, center. Their backs were, Blacklock, quarter back; Foytech, left half back; Warren, right half back, and Lowranze, fullback.

Hamlin's starting lineup was, Kelly, left end; Morrison, left tackle; Jones, left guard; Elkins, center; Steed, right guard; Redus, right tackle; Sowell, right end. The starting backs were Nicholson, quarterback; Burton, left halfback; Ivy, right halfback and Carlton, fullback.

Substitutions included Elliott, Elison, Walton, Fudge, Kelley, Lasseter, Russell, Dean, Pitcock, Taylor.

## SINGING CONVENTION

The Jones County North Side Convention will meet this Sunday at Neinda, convening at 1:30 p. m.

Many good singers are expected to be present.

All singers and lovers of song are invited to come and be with us.

ROY MCCOY, Pres.

Mr. and Mrs. Paul Fraser were over Sunday from Rotan to visit with their parents, Mr. and Mrs. J. C. Culbertson. Mr. Culbertson is confined to his home east of Hamlin because of his eyesight failing and the past few days he has been ill from a fall he got last week.

Miss Mildred Whitman recently from Hereford, Texas has accepted a position in the Haines Beauty Shop this week. Miss Whitman is an experienced graduate operator.

## Hamlin Pipers Skin Munday's Moguls 47 to 0

lor, Harbert, Barrow and Sellers. (Officially Reported.)

Further comment on the Piper-Mogul game is that it was hard to convince those who did not see the game, that the score was on Hamlin's side. Hamlin was doped to win, but not so much. It was just one of those times when one team started and nothing could stop it.

One prominent business man said now perhaps Munday knows how Hamlin felt about a year ago, when about nine fellows went over with the boys and saw Munday roll 'em in the dust, to a score of "leventeen to nothing."

## ANSON TIGERS PLAY PIPERS WEDNESDAY

As was predicted, the Piper-Tiger game, meaning between Hamlin and Anson, was changed from original schedule from Thanksgiving to Wednesday and on the Hamlin Field.

The weather was too cold for players and fans, but the fight started and went hot regardless of the cold. There was a good crowd from both towns and the rivalry was all in the finest spirit.

The score ended, Tigers 18 and Pipers 0.

In the first quarter the Pipers had the ball and the wind to their back, and drove down the field to the one-yard line, where they had their best chance to score, but after four tries, the ball went over to Anson.

In the first two periods of the game, the Hamlin Pipers played a strong defensive and offensive game, holding the Tigers to a nothing and nothing count.

In the last half, Neville of Anson featured by scoring three touchdowns. But they failed on all the extra points.

This closes the Pipers conference schedule for 1938.

As a token of the good efforts of Hamlin's beginning team, the business men will give the Pipers a big banquet at the Morgan Hotel on Monday evening of next week.

## Lesson for November 27

## HONESTY IN ALL THINGS

LESSON TEXT—Exodus 20:15; Matthew 19:10; 45, 46.  
GOLDEN TEXT—Thou shalt not steal.—Exodus 20:15.

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

Honesty in all things would seem to be what one should have a right to expect without question. As a matter of fact, dishonesty has become so common wherever man is found that people look on the person who is strictly honest as a peculiar individual. Try reporting an undercharge (everyone complains about an overcharge) or returning excess change, and you will see how unexpected honesty really is today. Under such circumstances the Christian needs to be vigilant lest he also accommodate his own ideas of honesty and begin to justify little evasions rather than being absolutely upright.

**I. Honesty Respects Property Rights** (Exod. 20:15).

The very commandment against stealing implies that men have a right to that which they have made, earned, or saved. If no one had property rights there could be no stealing. Some of our modern isms reason along that line, but their reasoning is clearly not biblical or Christian.

"Thou shalt not steal" forbids every kind of theft. It includes robbery, burglary, safe-cracking, housebreaking; but it covers far more than those obvious wrongs. It refers to such things as loafing on one's job, "borrowing" money from the cash drawer, taking goods from the stock with which one is working, stealing another man's sermon and preaching it as one's own, "lifting" material out of another man's book without credit, contracting debts which one can never pay, using false weights and measures, adulterating food or other material, "watering" milk for sale, selling worthless stock, dodging taxes or lying to the tax assessor, using a slug instead of a nickel in the telephone to escape proper payment.

It really means something to be honest, and it is a great testimony to the unregenerate world.

**II. Honesty Restores Stolen Goods** (Luke 19:1-10).

The story of the conversion of the despised Jewish tax collector Zacchaeus has many interesting features, but for our lesson we stress but one, namely, that the reality of his conversion was demonstrated by his honesty in restoring that which he had obtained unjustly, and that in fourfold measure.

Insofar as it is possible to do so, the honest person will make right any known injustice. To be right with God must mean that we are to be right with men. The testimony of many Christians could be presented to show that they have only entered upon real peace and usefulness as they have made consistent effort to right every wrong, to pay every debt. Often such actions open opportunities for Christian testimony and point others to the redemption in Christ, which makes a man live right as well as talk right.

**III. Honesty Resents Crookedness** (Luke 19:45, 46).

In sharp contrast to the prompt restitution by Zacchaeus, the converted publican, was the stubborn disobedience and dishonesty of the priests in the temple. Jesus had already cleansed the temple of the traffic in money-changing and the sale of animals for sacrifice practiced there (see John 2:13-17). On that occasion He rebuked them because they made His Father's house "a house of merchandise." Had they known the change of heart of a converted Zacchaeus they would have heeded His admonition. But they did not believe in Christ and went on with their ungodly desecration of the temple area until it became "a den of thieves" (v. 46). The Lesson Commentary of the United Lutheran Church makes an unusually apt application of the truth to "the goings on in our own churches" in the following paragraph. Read it, ponder it, pray about it, then act, if it describes your church.

"Is a church honest when it assumes obligations that it cannot meet, and is then forced to use all sorts of questionable means to raise money for the benefit of the church? Is a church honest when it turns a building consecrated to the worship of God into a restaurant or a theater, regardless of whether it is done to make money for the church or to attract people who are more interested in eating and drinking or playing than in the preaching of the Word and the worship of God? Is a church honest that turns its pulpit into a lecture platform for the discussion of current events or the review of popular books or plays while the world is destroying itself because it does not know the time of its visitation? The answer is that the church is dishonest that permits any such things, because it robs God of the honor and glory due to Him, and it robs people of their chance of salvation by giving them stones when they need the bread of life."

## MCCAULLEY MATTERS

By JOHN P. HARDESTY

Miss Vera Tate, of Lubbock, who has taught in the McCaulley school for the past two years, and who is to be married Thanksgiving to Walker Hicks, of Corpus Christi, was honored Friday night with a party in the home of Mr. and Mrs. D. L. Smith. Guests were members of the school faculty, several of the high school pupils, and Mrs. Clyde Angell of Big Springs, a sister of Miss Tate; Mrs. G. W. Tate of Lubbock, mother of Miss Tate, and Miss Imogene Schulze of Bangs, Texas.

Miss Imogene Schulze, who taught here last year, has been elected to teach the third grade in the local school succeeding Miss Vera Tate, resigned. We are sorry to lose Miss Tate from the school faculty but glad to welcome Miss Schulz.

The following members of the local school faculty plan to attend the State Teachers' Association in Dallas Thanksgiving: Mr. and Mrs. H. P. Powers, Melvin Courtney, V. W. Jackson, Roy Hennington, D. L. Smith, Hettie Logan Clay, and Birdie Cleo Crabtree.

The Senior class is busy preparing a play, "Phantom Bells," to be given at an early date. Mr. H. P. Powers is director.

Rev. Lloyd H. Mahew has been sent by the Bishop to the Methodist charge at McCaulley. Rev. J. R. Bateman has been assigned to the Hart circuit, in the Planview district. Sorry to see Bro. Bateman go, but welcome Bro. Mayhugh to McCaulley.

The Red Cross annual roll call is on this week. Hope we can get a good response for this very worthy cause.

Several Baptist young people attended the B. T. U. convention at Wichita Falls this week.

Huie Parker and Miss Odell Abbott were quietly married Tuesday evening of last week. Pastor J. R. Bateman performed the ceremony. They have the best wishes from a host of friends.

June Rhoton and Maurine Griffin were married Nov. 4. We did not get this item until just now. Sorry we do not have more details of the wedding to report. Wedding bells are also to ring again this week for at least two other couples. Perhaps we may be able to tell more next week.

Latane Akins has returned from a few weeks visit with her sister, Mrs. Eugene McCloud on the plains. Corinne, her sister, is now visiting Mr. and Mrs. McCloud for a time. Mrs. McCloud visited for a short stay with her parents, Mr. and Mrs. M. L. Akins.

Since the editor is asking for early copy this week on account of Thanksgiving we will have to cut this short and send it in.

Thanks to Melvin Hunter for his renewal for the Herald for another year. Go thou and do likewise.

## Thinking of Papers?

The Herald has some very attractive clubbing rates for Semi-Weeklies and Daily Papers—don't overlook the fact that the Herald is your home paper and has your personal interest at heart—Some people depend on "borrowing" the Herald, but that is only better than nothing—it costs so little and can mean so much to each one in the family—Read your home paper first and then a good daily or semi-weekly state paper. . . . The HERALD goes anywhere for a whole year for \$1.00.

Darnell & Sherman of Gallup, New Mexico are in charge of the T-P. Station in Hamlin and from all indications these young fellows are hustlers for business. They should do good in Hamlin.

Robert Lewis Fowler from John Tarlton College came up to spend Thanksgiving with his parents, Dr. and Mrs. P. A. Fowler.

### CHRISTMAS SEAL CAMPAIGN OPENS THANKSGIVING

WASHINGTON, Nov. 22.—Nothing less than the complete eradication of the scourge of tuberculosis from this country should be the aim of every citizen in giving support to the annual Christmas Seal Sale of the National Tuberculosis Association and its affiliated groups, President Roosevelt said today in endorsing the Association's thirty-second annual campaign which opens on Thanksgiving Day. Such support, says the President "becomes a patriotic duty."

President Roosevelt said that the work of the tuberculosis association in teaching people that the disease is preventable and curable and that people can be returned to health and strength, is of the highest value. It deserves the support of our citizens everywhere. Such support in a real sense becomes a patriotic duty.

The proceeds from the sale of the Christmas Seals will furnish the sinews of war with which to attack this menace on all fronts: through preventive measures, education, free clinics, hospitalization and nursing service. Our goal must be nothing less than the complete eradication campaign, made possible through

the proceeds of Christmas Seals," President Roosevelt said. Since 1907 these well known seals, which will go on sale throughout the United States on Thanksgiving Day, have played an important part in stamping out tuberculosis and saving the lives of countless numbers of people stricken with this dread disease.

"The work which the National Tuberculosis Association and its affiliated organizations are doing in teaching people that tuberculosis is preventable, that it is curable, and that great numbers of tuberculosis patients can be restored to health and strength, is of the highest value. It deserves the support of our citizens everywhere. Such support in a real sense becomes a patriotic duty.

The proceeds from the sale of the Christmas Seals will furnish the sinews of war with which to attack this menace on all fronts: through preventive measures, education, free clinics, hospitalization and nursing service. Our goal must be nothing less than the complete eradication campaign, made possible through

our nation. Through the power of the Christmas Seal everybody can help in attaining that goal. In the true spirit of Christmas let us as a nation give generous support to this campaign to protect the health of every man, woman and child within our borders."

### STOP Coughing and Stop It Now

Enjoy A Good Night's Rest

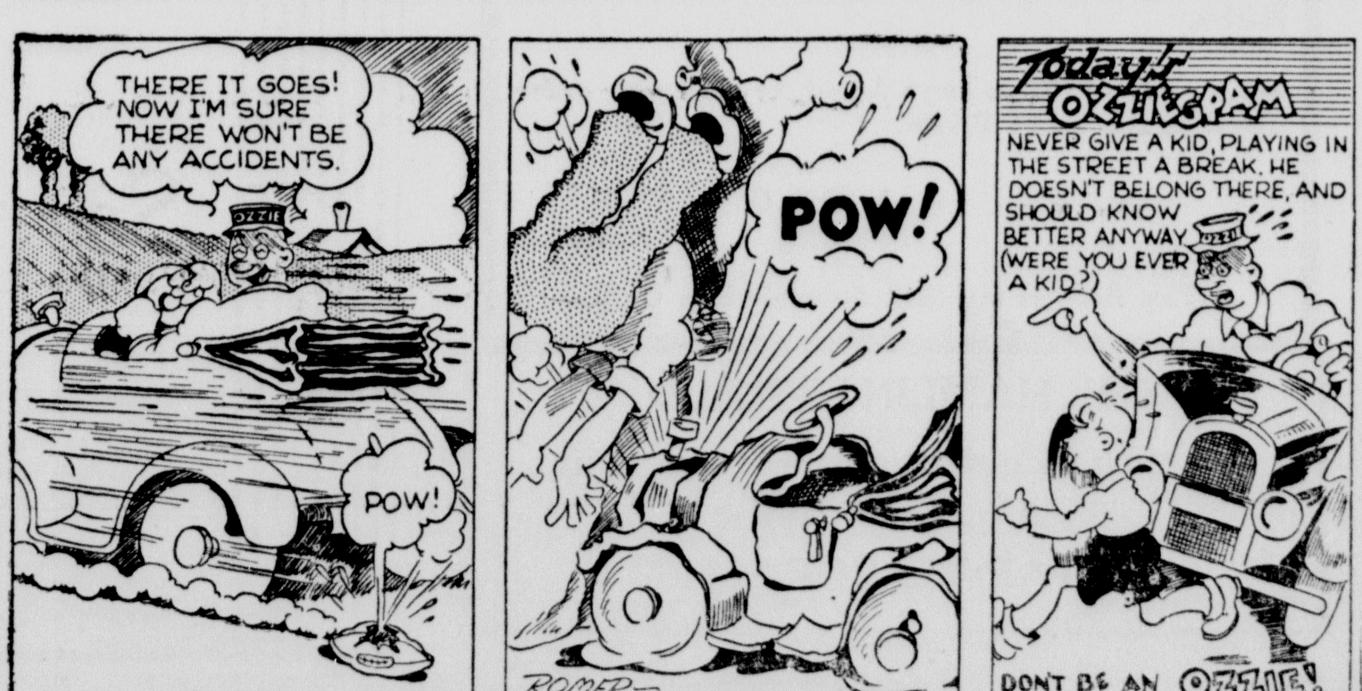

BUCKLEY'S MIXTURE certainly makes short work of relieving those stubborn old hang-on coughs and colds that other cough remedies fail to budge, according to Mr. H. A. Allen.

Mr. Allen says: "For years I suffered every winter with a terrible cough. I have had many sleepless nights and colds. I started again with the same old cough this year—but after a few doses of BUCKLEY'S MIXTURE my cough was gone."

You can't go wrong on BUCKLEY'S—by far the largest-selling cough medicine in all cold Canada. One or two doses and stubborn tough hang-on coughs are often on their way. And it's only a few cents at drugists everywhere. Money back if not delighted.

### THE ADVENTURES OF OZZIE

"A Dollar Down and . . ."  
 IF YOU think buying on the installment plan is a modern custom, consider this good advice offered the housewife in "Decorum—A Practical treatise on Etiquette and Dress of the Best American Society" in 1877:

Avoid Concealment.

Instances frequently occur of concealment with regard to money concerns; us, for instance, a wife wishes to possess an article of dress which is too costly for immediate purchase, or a piece of furniture liable to the same objection. She accordingly makes an agreement with a seller, and there are any who call regularly at houses when the husband is absent on business, and to receive whatever the mistress of the house can spare from her expenses. book is kept by the seller, in which yments are entered; but a duplicate is never retained by the wife, and therefore she has no check whatever.

We have known an article of dress fit in this manner, far above its value, and heard of a poor young woman who had been thus duped say to a man, who remonstrated with her: "What can I do, I dare not tell my husband?" It may be that the same system, though differing according to circumstances, is pursued in a superior class life. We have reason to think that is so, and therefore affectionately warn our young sisters to beware of making purchases that require concealment. Be content with such things as you can afford and such as your husband approves. You can then wear them with every feeling of self-satisfaction, and have a contented mind.

#### Diphthicuties

PUBLISHERS of newspapers on the American frontier often had many handicaps to overcome in getting out their little weekly journals. Few, however, experienced a more discouraging start than a pioneer Colorado editor who explained his situation to his readers in the first issue of his paper thus:

Let Us Be Thankful for the Privilege  
of Living Electrically

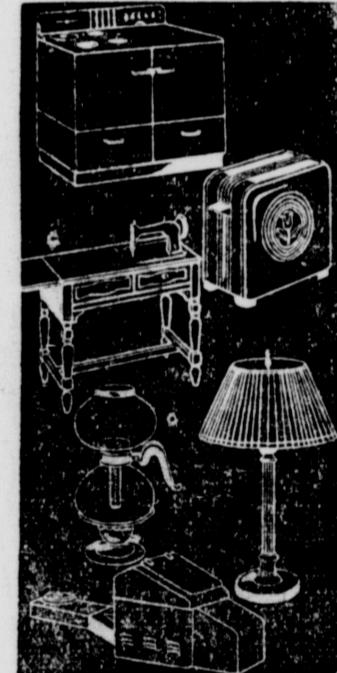

Thanksgiving  
1620

They cooked a turkey before a blazing hearth fire.

They baked in a dutch oven. They dipped candles, had flickering light. They spun, wove and sewed cloth by hand. They spent weary hours cleaning house. They chopped ice in rivers and lakes. They didn't have it so easy. They would have been thankful for all the electric servants we now have.

1938 We depend on an automatic electric range to cook the turkey.

We use controlled electric heat. We flip a switch, get a flood of good light. We use electric looms, electric sewing machines. We use electric vacuum cleaners, save time. We have electric refrigeration. We have it a thousand times easier. We are thankful to live in an age when Electric Service is plentiful—and costs so little.

## MEET FOR STUDY

"Far Eastern Situation" was the topic discussed by the Woman's Literary Club members Friday afternoon when they met in the home of Mrs. R. E. Johnson on Jackson Avenue.

The roll call was dispensed with in order to give more time to the main program, directed by Mrs. Tom Teague. A paper titled "Was Japan Justified in Her Aggressiveness," written by Mrs. Leslie Sparks, was read by Mrs. Art Carmichael. This was followed by a character sketch of Madame Chiang Kai-Shek, given by Mrs. H. O. Cassle. Mrs. Teague talked on "Russia's Place in the Entanglement" and at the close of the program gave a brief and interesting summary of the entire study. The final number on the program, "Will China Emerge a Unified Nation?" was discussed by Mrs. Henry Albritton.

In a business session directed by the president, Mrs. Loyd Sebastian, a letter was read from Mrs. Grover C. Johnson, president of First district, who had recently been a guest of the Hamlin club. Mrs. Holly Tolar was elected to club membership. Mrs. Sebastian emphasized some of the needed measures Texas Federated Club women adopted at the recent state Federation meeting, and for which they are working.

# Important Notice About Wider and Better Roads

TO THE CITIZENS OF PRECINCT NO. 1 JONES COUNTY: We can not secure the right of way. The county would not want less than fifty feet of right of way, and we will replace your fences (where you have fences) in better shape than we found them. If you will grant Precinct No. 1 ground for this right of way on these narrow roads, if when the work is done and the road is completed, you do not say the improvement to the road and to your property, is not worth more to you, your property and the community than the amount of ground we use, Precinct No. 1 will pay you a reasonable price for all the ground they use. I kindly ask your cooperation and assistance in this project, for it can not be done unless you are willing and will help.

Yours truly,  
JNO. C. TURNER,  
Commissioner Precinct No. 1, Jones

# Fisher Co. Farm Women Are Taking Pride In Farm Home Appearances

By JOELLENE VANNOY,  
Demonstration Agent Fisher  
County, Roby

The Herald has received a report from the Fisher County Home Demonstration Department, by Miss Jewell Hipp, Assistant H. D. Agent, that reflects progress of that department in that county among farm women (and some of their men folks). You

see when a woman gets her head set a few, a least, of the men must also move about.

The Herald is not using their report verbatim, but will pick out here and there in the story and "editorialize" on what it says.

Their county tour was on November 15 and thirteen homes in various parts of the county were visited. About 45 persons made the rounds

of inspection.

One of the attractive features about many of the homes was the interest taken in trying to "beautify" the surroundings. This consisted of flowers, trees, lawns, walks, out-door "sitting-rooms," windbreaks and better water and lighting facilities.

Right here the Herald will encourage everyone by saying that there is nothing a farmer can do that will add attractiveness to his home surroundings more than a few gallons of paint, real paint, well put on. Drab unpainted plank detracts and besides soon deteriorates. Then to have a lot of evergreens about that painted home, out-buildings, barns, sheds, fences, carries the idea further. It has been demonstrated that a number of evergreens will thrive in this dry country, if given a chance to start off.

This is the time of year to secure Arizona Cypress, Arab Viti, Ramsey Hybrids, Ligustrums, Junipers of many breeds, honey-suckle, and many other similar growths that will do well in Fisher County on even the small amount of rain they get. Try it fellows! All you need to do is place the young plants where they will get a little drainage from roofs the first year, they will do the rest from then on with but little attention.

Demonstration tours are show days for what the rural women can do in dolling up their rooms. Dainty flowers greet the inspectors, stories of how blank uncomfortable rooms have been made attractive and comfortable with but little cost but plenty of work. On this line the Herald will drop a few comments: It is remarkable what an industrious woman can do with a few pieces of plank, a drop or (gallon of paint) and a bushel of determination.

One thing often observed in the woman's striving to better things about her home, (and Ye Editor may get a licking for saying this). She toils sometimes when she should be resting; she economizes and stretches cents into dollars while her sons or husband are out hunting, playing games, smoking and chewing up money, and squandering time, all of which would soon accumulate into a beautiful place in and about the home if it was conserved like it usually is by the "home-maker." Its a fact that it takes more than ONE to make a home. It takes economy practiced by only a part of a unit does not count like it by everyone. And here is betting two holes in a doughnut that every outstanding home visited in Fisher County on November 15, there was hanging around a dutiful son, or a helpful husband who contributed much to the improvements observed. Ma can plan, suggest but it takes Pa or son to back it up. Of course the 13 homes visited were not all, but there should be ten times that many home enterprises in a big county like Fisher (and maybe there were).

The report included such well known people as Mr. and Mrs. Geo. Webb and daughter Lelia of Capitol, whole-farm demonstrators; Mrs. Cliff Jay who showed an unusual attractive out-door living room, and a table or inlaid colored glass; the C. R. Webb home, featured the windbreak; Mrs. C. A. Ragan of Rotan featured screen plantings; Mrs. L. C. Senn of Pleasant Valley proved what could be done in sodding yards; Mrs. O. R. Nowling of Rotan had an attractive "whole-house" demonstration; Mrs. John McCombs of Hackberry showed what could be done in building curved walks out of natural stone, trees, windbreaks, etc.; Mrs. Cecil Parks of Avalon evidently has a carpenter-husband, as they demonstrated some beautiful home-made furniture.

Along the same lines might be mentioned the names of Mrs. Rufe Ballenger, and Mrs. Boyd Neves of the Barrowview community, and Mrs. Johnsons home in the Eskota neighborhood, all showed taste and good judgment in making their home and premises more attractive.

Over nearer Hamlin it is noticed that Mrs. Charlie Dean of Sylvester is a leader in yard landscaping and other attractions about the house. And Mrs. W. B. Elkins of Plasterco showed great improvements in her home furnishings.

Indications are that Miss Joeline Vannoy and Miss Hipp are doing excellent work for the people of Fisher County.
